BB&T John Burnham Insurance

BB&T John Burnham

BB&T John Burnham has provided business risk and personal insurance solutions since its founding in San Diego in 1891. Acquired in 2008 by BB&T, John Burnham is part of a 100-agency strong corporation that is currently the nation's sixth largest insurance brokerage.

The San Diego chapter of National Association of Insurance Women (NAIW) selected BB&T John Burnham as its Employer of the Year recipient. The award honors local insurance employers based on their contributions to the community and involvement with the NAIW organization.

BB&T John Burnham serves the corporate, education, transportation, real estate and nonprofit industries through the provision of property and casualty services, employee benefit consulting, surety bonds, owned controlled insurance programs, risk management, workers compensation and key person insurance. The company also offers complete personal lines' coverage.

BB&T was rated excellent for customer satisfaction in three separate studies conducted by independent research group Greenwich Associates.

BB&T was founded in 1922 and is one of the largest financial services holding companies in the U.S. with \$155.1 billion in assets and market capitalization of \$18.2 billion.

BB&T John Burnham is very active in the San Diego Community with involvement in several charitable organizations.

San Diego Credit Union

With the opening of a new branch in Kearny Mesa and a new Oceanside branch scheduled to open in early 2011, SDCCU continues to grow and prosper. The new branches will bring to 28 the number of SDCCU storefronts operating in San Diego, Orange and Riverside counties.

San Diego County Credit Union is the largest locally owned full-service financial institution in San Diego County. It has a diverse membership of over 210,000.

SDCCU has been recognized as one of the top home loan lenders in San Diego County. It has been ranked as California No. 1 credit union lender for real estate loans, including first and second mortgages, refinances and equity lines of credit, in both 2008 and 2009, according to the National Credit Union Association (NCUA).

Based on the SDCCU philosophy of people helping people, the credit union employees have spent extra time this year creating special workout loan programs for many homeowners who have had trouble making their monthly payments.

San Diego County Credit Union embraces a go green initiative, which encompasses online banking through their Internet Branch. Customers can view eStatements, eNotices and eTax forms online — which saves time and trees. On The Go Branch, Mobile Banking, SDCCUDirect, ZashPay and MoneyTracke are all recently added eServices that add to customer convenience. SDCCU strives to always use the latest technology to protect their customers' privacy.

Investment choices have been made easier with the addition of LPL Financial located at SDCCU, which is a full service brokerage firm headquartered in San Diego, offering a complete array of financial investment services, including stocks, bonds, mutual funds, annuities and insurance.

The credit union is the nation's only to serve as a title sponsor of a college football bowl game, the San Diego County Credit Union Poinsettia Bowl, where \$1 of every ticket sold goes directly to the Make-A-Wish Foundation. SDCCU is a valuable community leader with support to over 75 non-profit groups each year.
