SAN DIEGO COUNTY CREDIT UNION IS FIRST LOCAL CREDIT UNION TO LAUNCH MOBILE DEPOSIT APP

SAN DIEGO, Calif., (January 13, 2012)--San Diego County Credit Union (SDCCU), San Diego's largest locally-owned financial institution, today announces the launch of SDCCU Mobile Deposit, a new app that allows consumers to make deposits using their Android™ mobile device or iPhone®. SDCCU reports that it is the first credit union headquartered in San Diego to offer this capability.

"We know that our customers live life on the go and we are proud to be the first credit union headquartered in San Diego County to offer a convenient mobile deposit app," said San Diego County Credit Union President & CEO Teresa Halleck. "Our customers now have total convenience and don't need to rely on a branch or an ATM to make deposits. This free and convenient eService provides our customers with the latest in mobile technology and an overall better banking experience."

Enrolling in SDCCU Mobile Deposit is quick and easy. SDCCU customers log into Internet Branch online banking, select the Mobile Banking tab, and then click SDCCU Mobile Deposit in the gray navigation bar to register their account. Users can then visit www.sdccu.com on their mobile device and follow the on-screen instructions to download the app. There is no fee for using SDCCU Mobile Deposit; however message and data rates may apply depending on their cellular plan.

San Diego County Credit Union is a full-service financial institution. Everyone who lives or works in San Diego, Riverside and Orange counties is welcome to open an account. SDCCU offers free checking accounts with eStatements, direct deposit, Visa credit and free debit cards, certificate and money market accounts, auto and home loans, an array of eServices and much more. San Diego County Credit Union serves a diverse customer base of 225,000, has assets of \$5.4 billion and 28 convenient branch locations. Visit www.sdccu.com for more information. SDCCU is federally insured by NCUA and is an equal housing lender.
